## Exemption policy

The number of exemptions from semester exams shall be determined by the classification, grade average, and **number of absences for grading cycle 3** as described below:

### Fall Term

Seniors	1-3 unexcused absence / 85 semester average	4 exemptions
Juniors	1-3 unexcused absence / 85 semester average	3 exemptions
Sophomores and Freshmen	1-3 unexcused absence / 90 semester average	2 exemptions

1. Students with more than three unexcused absences in any class are ineligible for exemptions from exams in the class in which they have more than three unexcused absences.
2. 5 tardies in any one class will disqualify a student from being exempt.
3. Students must be enrolled in WO-S the entire semester for which an exemption would be granted to be eligible for exemption from any exam. Any student enrolled in WO-S after the second week of a semester is ineligible for exemptions.
4. Any student who received any discipline beyond Lunch and After School Detention shall not be eligible for exemptions from any exam.
5. The opportunity shall be provided for students to take an exam although they qualify for an exemption should they so desire. The student's grade average for the course shall not be lowered by his/her performance on the semester exam should he/she choose to take one in a course for which he/she qualifies for exemption.
6. Determination of the grade average to qualify for an exemption will be accomplished by calculating the average. **The cut-off date for determining grades used for exemption purposes will be the Friday before the week of exams.** (Teachers will continue to take grades through the end of the grading period; however, any grades taken after the cut-off date shall not be used in determining the grade average used for exemption calculation.)
7. Exemption forms will be given to students prior to the week of exams for students to verify exemption eligibility. Students failing to complete this verification process, including paying any outstanding due-bills, by the deadline **WILL NOT** be exempt from exams.
